

New Member Checklist

Go through this document and complete or initiate the appropriate steps. Contact Vivek if you have any questions.

- Create accounts:
 - Some type of calendar (Google calendar or Outlook)
 - [Github](#)
 - [Slack](#)
 - [Trello](#)
 - Some type of reference manager. Common choices are [Zotero](#) and [Paperpile](#). Vivek uses Paperpile and can share papers within the group, but any reference manager will be fine. Zotero is free, but the lab can pay for a Paperpile account if preferred.
- Get added to group-wide resources by contacting Vivek once you've established accounts:
 - Github organization ([srikrishnan-lab](#))
 - Slack workspace
 - Hopper Cluster
 - Trello
- Add your information to the group website using a [pull request](#):
 - Photo (upload to `/assets/img/members`)
 - Website entry (in `_data/people.yml`):
 - Bio/Research interests
 - Contact and social media info
- Start reading the [onboarding papers](#).
- Meet with Vivek and get access to Riley-Robb and the lab's space.
